

## AE 411/AE 412

### AE Senior Design Project Regulations

The AE students have to follow AE senior design project regulations as follows:

1. The student should have senior standing.
2. The student should see the AE Senior Design Project Coordinator **within 2-3 weeks** after registering the Senior Design Project course AE 411 in the **early registration** or not later than 2-3 weeks when the semester starts.
3. The AE student should see the assigned Senior Project Advisor with first 3 weeks of the semester in which his Senior Project course AE 411 has started.

AE Chairman
